This PC -> Computer ->Add a network location

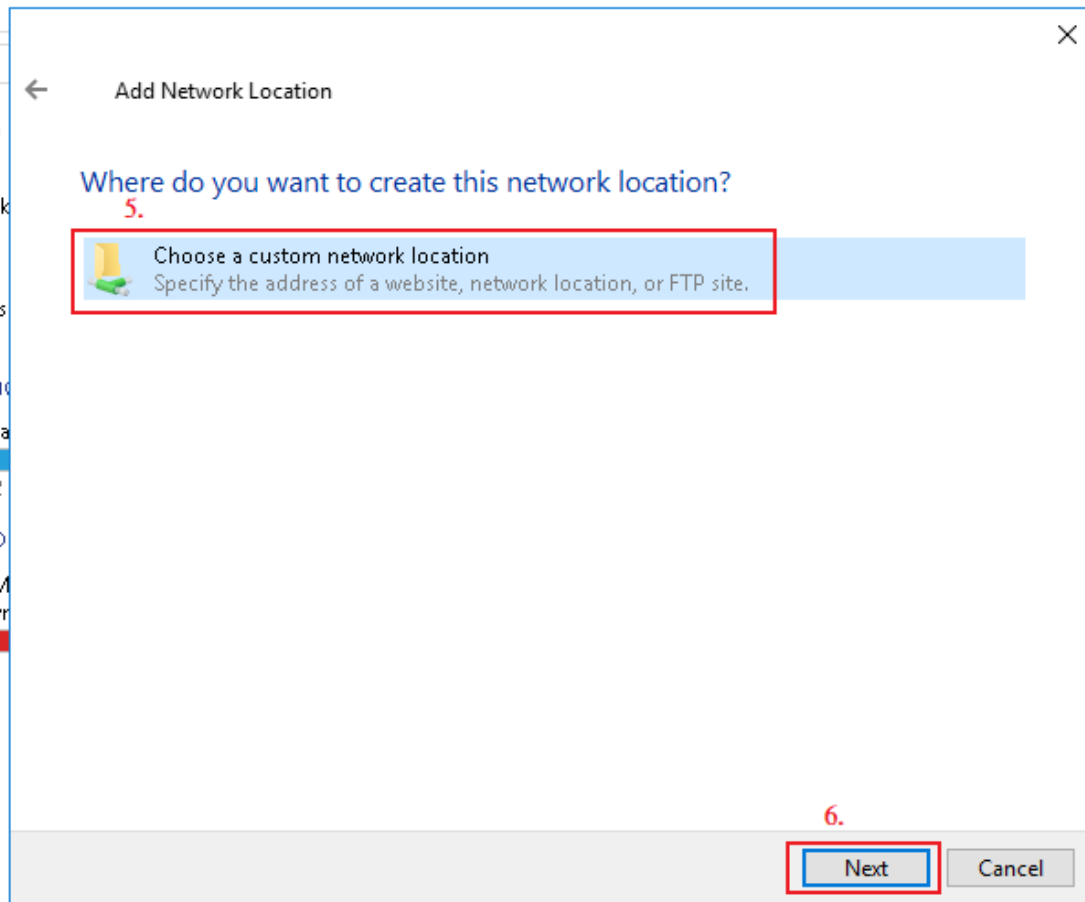

Welcome to the Add Network Location Wizard

This wizard helps you sign up for a service that offers online storage space. You can use this space to store, organize, and share your documents and pictures using only a web browser and Internet connection.

You can also use this wizard to create a shortcut to a website, an FTP site, or other network location.

Add Network Location

Where do you want to create this network location?

5.

Choose a custom network location
Specify the address of a website, network location, or FTP site.
